

TENAX

Kryptonight

DESCRIPTION

Highly visible, strong, UV stabilized yellow-green plastic safety fence ideal as a safety barrier around construction sites and utility work. Kryptonight safety fence was specifically designed in response to Federal Highway Administration Transportation Research Board's research findings that yellow-green is an ideal color for high visibility in safety applications.

BENEFITS

- Yellow-green color is highly visible
- Won't rust, rot or corrode
- Lightweight- easy to carry
- Affordable
- UV stabilized- long lasting
- Reusable and recyclable
- Easy to install using T-posts, wooden posts or existing fence.

USES

- Safety fence around construction sites
- Ideal for uses where high visibility is top priority
- Block off property lines, unfinished buildings, sewer holes
- Ideal for fairs, carnivals, sporting events and parades

PRODUCT INFORMATION

<i>Size</i>	<i>Mesh Size</i>	<i>Color</i>	<i>Product Code</i>
