

CertainTeed  
*Bufftech*<sup>™</sup>  
Vinyl Gate Systems

*Outstanding Quality and Performance*

Beautiful, durable Bufftech<sup>™</sup> vinyl gates offer easy installation and great performance. The perfect complement to Bufftech vinyl fence, our premium vinyl gates feature sturdy construction and the highest quality hardware in the industry.

- Gates are available to match all Bufftech fence styles
- Available preassembled or as unassembled gate kits
- Preassembled gates ship ready to install — saves time at the jobsite
- Stainless steel fasteners prevent corrosion

# Gate Features

## Aluminum Post Insert

- Available for 4" and 5" gate posts
- Strengthens gate post for lasting use
- Provides faster, cleaner installation
- Eliminates need for concrete and rebar, saving time and money
- Lifetime limited warranty with SureStart™ protection

## Gate Uprights

- Assembled gates and kits use 4" x 4" uprights
- Uprights are routed to accept PVC gate sockets and gate braces
- Riveted rail sockets provide added strength and stiffness and ensure proper attachment of rail to upright
- Rails are glued and screwed into sockets for lasting durability
- Diagonal brace prevents gate from sagging

# Hi-Performance Gate Hardware in a Kit

Gate•Handle™

## 5' and 6' Standard Nylon Gate Hardware Kit

Lokk•Latch® with External Access Kit

Tru•Close® Adjustable, Self-Closing Gate Hinges

Gate•Handle™

## 5' and 6' Key Entry Nylon Gate Hardware Kit

Lokk•Latch® DELUXE

Tru•Close® Adjustable, Self-Closing Gate Hinges

Gate•Handle™

### Lokk•Latch® Key-Lockable Gate Latch

- Key-lockable
- Super-strong engineered polymer and stainless steel construction
- Works with both 4" and 5" gate posts
- Vertically and horizontally adjustable
- Works with both right-hand and left-hand swinging gates
- Won't rust, corrode, fade or stain

### Lokk•Latch® DELUXE Key-Lockable Security Gate Latch

- Key-lockable security
- Super-strong engineered polymer and stainless steel construction
- Fits up to 5" deep gate posts
- Vertically and horizontally adjustable
- Works with both right-hand and left-hand swinging gates
- Requires only one hole to drill
- Rekeyable 6-pin locks
- Cycle tested to over 200,000 closures
- Won't rust, corrode, fade or stain

### Tru•Close® Self-Closing Gate Hinges

- Tension adjustable (self-closing speed)
- Vertically and horizontally adjustable
- Super-strong engineered polymer and stainless steel construction
- Works with both right-hand and left-hand swinging gates
- Won't rust, bind, sag or stain

### Gate•Handle™

- Works with both right-hand and left-hand swinging gates
- Super-strong engineered polymer construction
- Won't rust, corrode, fade or stain

# Hi-Performance Gate Hardware in a Kit (continued)

## Standard Stainless Steel Gate Hardware

*Stainless Steel Hinge  
shown in Black*

*Stainless Steel Strike and  
Latch shown in Bronze*

Give your gate the old-world look of wrought iron with our rugged, rust-free stainless steel gate hardware. The hardware includes hinge, strike and latch and is available in two decorative textured finishes: black pebble and bronze pebble.

### Hinge

- Marine grade powder coat paint
- Self-closing and adjustable
- 304 series stainless steel
- Enclosed spring

### Latch

- Two-sided entry
- Reversible (right or left handed)
- Marine grade powder coat paint
- Two-sided attachment
- Lockable on one side
- 304 series stainless steel
- Solid 5/8" striker bar

## Optional Upgrades

### Magna•Latch® Magnetic Safety Gate Latch

Bufftech recommends Magna•Latch® for use on swimming pool gates or any gate where child safety is a concern. Magna•Latch is key lockable, child resistant and is a magnetically triggered, self-latching system.

*Magna•Latch®  
Magnetic Safety  
Gate Latch*
