

# Roll Gate Track Guard

Average Roll Gate...

**GIANT HOLE**

Roll Gate with RGTG installed...

**NO HOLE!**

The mesh just slides past the Roll Gate Track Guard

- The “Anti Hole-Ripper”
- Made to avoid holes being put in mesh when sliding a chain link roll gate
- Small & Easy to install
- Protects a much bigger investment
- Fits a 1-<sup>3</sup>/<sub>8</sub>” Pipe
