RIDGE
WIRELESS™

GOES WHERE YOU GO

No wires mean freedom—this keypad can be located and mounted anywhere you need it.

FITS YOUR NEEDS

This keypad can connect with the Ridge 2.0 Transceiver, Receiver 300, or many other 300-MHz receivers and fitting every need.

LASTING PROTECTION

The handy flip-up dust cover will keep your keypad protected from dust and damage.

GO WIRELESS

Our Ridge Wireless™ technology allows two-way wireless connection, making your system more versatile and more responsive.
