

# STRIP DOOR QUOTE FORM ("Hole Punch" Track Style)

Please fill out and fax or email to the address below.

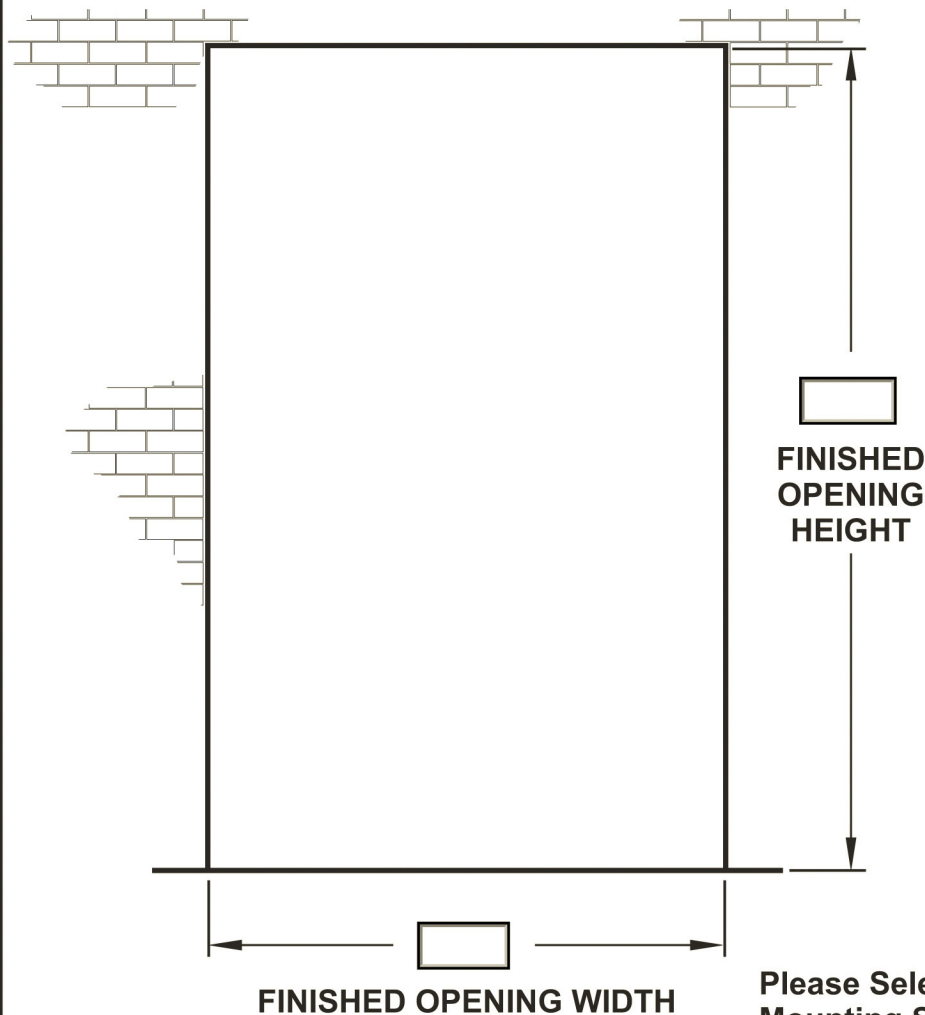

Diagram illustrating the main dimensions for the strip door installation:

- FINISHED OPENING HEIGHT**: Indicated by a vertical double-headed arrow on the right side of the door opening.
- FINISHED OPENING WIDTH**: Indicated by a horizontal double-headed arrow at the bottom of the door opening.

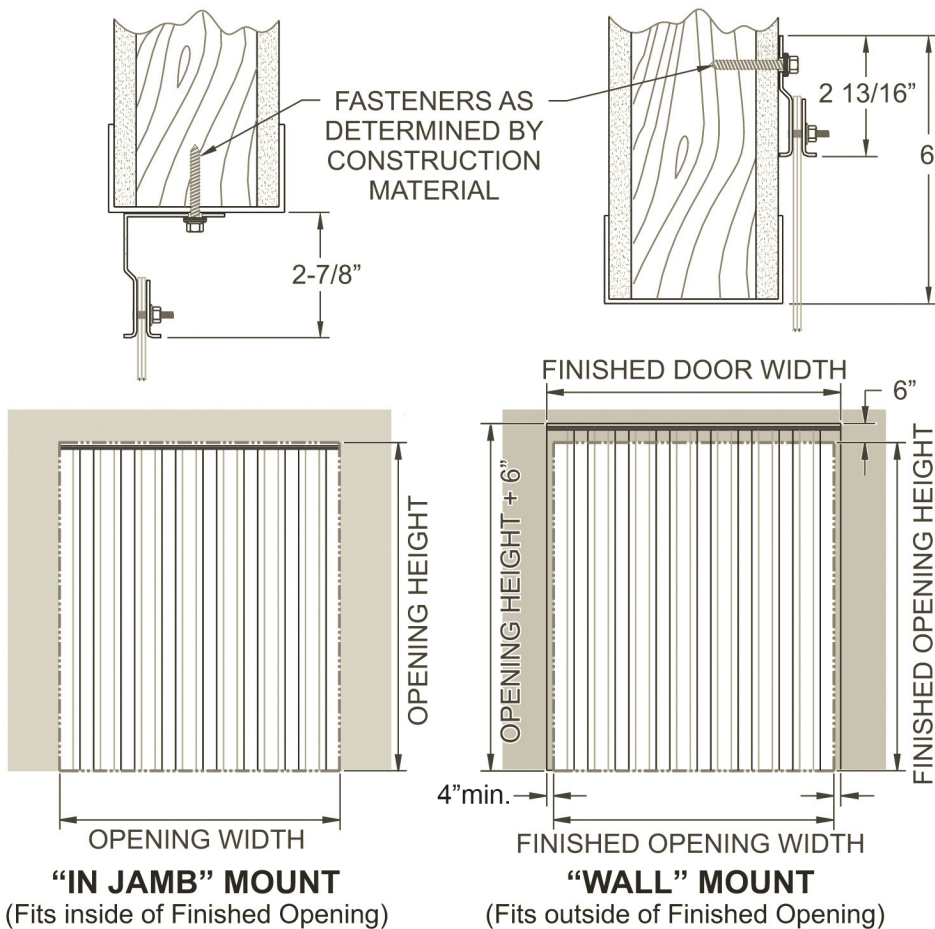

Diagram illustrating the mounting styles and dimensions:

- "IN JAMB" MOUNT** (Fits inside of Finished Opening): Shows a cross-section of the door fitting into the opening. Dimensions include  $2-7/8"$  for the top track and  $2-13/16"$  for the bottom track. A note states: "FASTENERS AS DETERMINED BY CONSTRUCTION MATERIAL".
- "WALL" MOUNT** (Fits outside of Finished Opening): Shows a cross-section of the door mounted to the wall. Dimensions include  $6"$  for the top track and  $4" \text{ min.}$  for the bottom track. The overall height is labeled as **OPENING HEIGHT + 6"** and the overall width as **FINISHED OPENING WIDTH + 6"**.

Finished Opening Size:  W x  H

Please Select a  
Mounting Style

- ☐ "IN JAMB" MOUNT  
☐ "WALL" MOUNT
