

6-1/4"

The image shows a technical drawing of a vertical rectangular component. The component has a height of 6-1/4 inches and a width of 1-1/8 inches. The top edge is chamfered with a chamfer angle of 1/16 inch. The component features a central horizontal slot, two circular holes near the top, and two circular holes near the bottom. The drawing uses solid lines for the main body and dashed lines for hidden features.
