

**Patented, Collated, Stainless Steel, Hidden Fastener Decking System**

**Get Off Your Knees!!**

Don't be left out in the cold on your hands and knees, wishing for a better way . . . It's here!

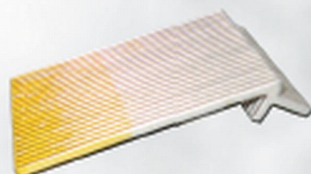

Our fasteners are a true fastener, NO nails or screws which require an additional step or process to secure them. HIDfast is collated and pneumatically installed, not each piece one at a time by hand.

Making HIDfast™ the only fastener you'll ever need!

**It's easy as:**

- **EASIEST**
- **FASTEST**
- **INVISIBLE**
- **STRONG**
- **WON'T RUST**

A single package of 175 patented, collated, stainless steel fasteners will do 100 square feet of 6" decking when installed 16" on center.

HIDFAST is the fastest and easiest hidden fastening system for virtually all decking types
